Head Teacher: Mrs. E. Dodsworth

Dear Parents, Carers and Children

Over the next week there will be a lot of information coming out to you about how we open school in September safely to everyone. Plans have been made on the assumption that I will have all staff back on site and all children back in school. The last few months have taught me that situations and government guidance can change very often and very quickly so please bear with me if I do need to change anything before September. That said, below is my plan for class teachers and who your child's teacher will be. Children, I am sorry that you haven't had a chance to have a day in your new classrooms but you will see that I have tried to make sure that in most classes, you already know the teacher. Lots of the information coming out will be instructions and policies but let me take this opportunity to say that I cannot wait to see everyone back in September - I have missed you all!

So that you have a full school picture, I have listed below our teachers and classes for all children.

Nursery	Mrs Glover & Mrs Hopkins
Reception	Mrs Bailey & Mrs Glover
Year One	Mrs Fawcett
Year Two	Mrs Ashworth
Year Three	Miss Shaw
Year Four	Miss Conlon
Year Five	Miss Vincent
Year Six	Mrs Hall & Mrs Parnell

Mrs Dennis remains part of our school staff although is away from school at present. If you have any queries about your child's new class, please, as always get in touch with us here at St Cuthbert's.

Kind regards

Mrs E Dodsworth

*Governors and staff are fully committed to the safeguarding of the welfare of all
St Cuthbert's pupils.*
